水下照明生产厂家

Underwater lighting manufacturer

Over 10 years experience in pool lighting production

Company Profile

Is professional in production of underwater LED lamps. we have advance techinal face and advance equipment and workmanship also we had got the ROHS, IP68,CE,FCC. certification pass the ISO 9001, ISO 2000 system.

We are professionally engaged in manufacture of various kind of underwater LED lamps over 10 years . Product include wall mounted stainless steel hanging lights, plastic,full-sealed ,PAR cups and LED lamps. Light source effects, multi color, Monochrome, internal control,gradient,external control DMX512, synchronous colorful, power off mode control, four button,six button, eighteen key single on one remote control and colorful effects are available,and are widely used in swimming pools. Fountain water pool, secenic lighting, villa pool garden view, family aquarium etc. For example:plastic farm. There are 8 injection machine for our won plastic parts and she l. with 3 assembly line for products manufacture and output is 1500-2000 pcs in a line at per day. Our QC make all inspection for the products on line. Mainly maket is Russa. American, U.K, Australia, Germany and so on.

There are strict quality control system in factory . covering material supplying ecalution incoming material inspection. Evalution classification and warehouse storage as well as production quality control.With perfect production process,advanced manufacturing technique strict inspection methods and good service we have a high reputation among the client.
